"Great is the LORD, and greatly to be praised in the city of our God, in His holy mountain." - Psalm 48:1 "Looking for the blessed hope and glorious appearing of our great God and Savior Jesus Christ." - Titus 2:13 We serve a great God who made heaven and earth and all things in it. God is great and greatly to be praised at all times. He gave us His Son to redeem those who will put their trust in the Son. We now look forward to the blessed appearing of our Lord and Savior, Jesus Christ. With steadfast hope, we now await the blessed appearing of our Lord and Savior, Jesus Christ, anticipating the glory of that coming day. Praise the Lord!
