"Therefore I did not even think myself worthy to come to You. But say the word, and my servant will be healed." - Luke 7 V7

"Humble yourselves in the sight of the Lord, and He will lift you up." - James 4 V10

God gives grace to the humble. We may have powers and authority over men and beasts but we still need God and we are helpless without His grace. Let us pray to God to give us a humble spirit and live the way Jesus lived. Praise God!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - **Jesus Christ**
