"The LORD is your keeper; the LORD is your shade at your right hand. The sun shall not strike you by day, nor the moon by night." - Psalm 121:5,6 "And I give them eternal life, and they shall never perish; neither shall anyone snatch them out of My hand." - John 10:28 In the world we live in, security is a constant concern. Whether we speak of the safety of our lives or the protection of our possessions, no authority, no system, and no human power can offer us perfect or absolute security. But those who trust in the Lord and belong to Him possess a security that is unshakable and eternal. Their salvation is guaranteed, upheld not by human strength but by the sovereign power of God. No force in heaven, on earth, or under the earth can separate believers from Christ. He is our Keeper, our Shade at our right hand, and the One who preserves our life forever. Our eternal life is secure in Him. Praise the Lord!
