Indonesia hit by another earthquake

A moderate 5.9-magnitude earthquake struck Indonesia's North Maluku province on Wednesday, seismologists said, but there were no reports of casualties or damage.

This country has been getting hit hard lately with a lot of enviromental occurances

Major Earthquake Strikes Chile

A major earthquake rocked a large area of northern Chile on Wednesday, and it was felt in the capital of Santiago.

"For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and *earthquakes*, in divers places."
—Mat 24:7
