Australian actor and author Blossom Goodchild is claiming to have channelled information from extra-terrestrial beings about a supposed UFO sighting that is to take place on October of this year. According to Goodchild, a interstellar group calling themselves the 'Federation of Light' will cause a space craft to appear in the skies above Alabama on the 14th of October, where it will remain for at least a 72 hour period. Their intention is to provide undeniable proof that extra-terrestrials do exist. These beings claim that they come in peace, and that their only concern is for the future of mankind, and that is why they are revealing their existence to us now.

**Quote:** *"TO LEADERS, GOVERNORS, POLITICIANS AND ALL PEOPLE OF EARTH... We wish it to be understood that on the 14th day of your month of October in the year 2008 a craft of great size shall be visible within your skies. It shall be in the south of your hemisphere and it shall scan over many of your states. We give to you the name of Alabama. It has been decided that we shall remain within your atmosphere for the minimum of three of your twenty four hour periods. During this time there will be much commotion upon your earth plane. Your highest authorities will be intruding into 'our' atmospherics that surround our ship. This 'security field' is necessary for us, as there shall take place a 'farce' from those in your world who shall try to deny that we come in LOVE. KNOW OF THIS WE COME TO ASSIST YOUR WORLD. WE DO NOT COME TO TAKE OVER. WE DO NOT COME TO DESTRUCT. WE COME TO GIVE YOU HOPE.*

I have talked about Ufology and its connection to the occult and end time prophecy before. First of all, I don't know if any 'alien craft' will appear in southern skies of the United States on October 14th. But neither do I think that Blossom Goodchild is just making this up. I do believe this information has a source. The questions we must ask are, who is this source, and why is this information is being disclosed now? According to Blossom Goodchild's own internet blog, she is a medium and channeler of spirits...

**Quote:** *"I am a 'Direct Voice Channelling Medium' . The main energy that I channel chooses to present himself to us as a Native American Indian by the name of WHITE CLOUD. Apparently I agreed 'many moons ago' to get his message across on this side of the veil. With love Light and Laughter I choose to do so.*

Now concerning sources of spiritual information, there are only two kinds. The kind that is of God, and that kind that is demonic. And it is clear to see that this kind is definitely demonic, and

on several counts. Firstly, the Bible expressly forbids the channelling of spirits (Deuteronomy 18:10-12), so we know immediately that the spirits which are in contact with Blossom are not of God. Demonic spirits can manifest to people in many different guises. Some take on the form of people who have died. Since demonic spirits can never die, they have been around for a long time and can remember people and places from hundreds of years ago. When people go to séances to contact to their departed relatives, they are not actually speaking to these relatives, but they are talking to imitating demons who were acquainted with their lives. For example, the familiar spirit that Blossom Goodchild contacts has taken on the form of a native American by the name of 'White Cloud', who probably was a real person at one time. Some spirits manifest themselves as extra-terrestrials, and this can be seen by the message Blossom Goodchild has received from the group calling themselves the Federation of Light. But although they manifest in different ways, the goal is always the same - to deceive.

Now I recently heard Jack Van Impe claim that there may be life on other planets. There is absolutely no Scriptural justification for claiming that there is life on other planets. What's more, I would be very concerned about Christians that claim this, because if an alien craft actually appeared in our skies, there is a good chance genuine Christians could be deceived into accepting the word of a demonic spirit! How do I know these extra-terrestrials are demonic spirits? We have just seen that the people that these beings chose to reveal themselves to are always involved in some way or other in the occult. We also know they are demonic spirits by the message they bring. Their message always has a New Age connection. The aliens are either trying to help mankind achieve the next step of spiritual enlightenment, or they are trying to preserve mankind from great calamities ahead. Look at their message...

First of all, they claim to be called the Federation of Light. Now that name ought to start alarm bells ringing in the ears of any Christian. For we know that the name Lucifer means 'Light bearer'. Paul also describes Satan as being "transformed into an angel of light" with the goal of deceiving people (2nd Corinthians 11:14-15), and says that it is no marvel then that his followers should also appear in such a manner. So now we have identified both the source of the message, and who the 'Federation of Light' are. Our next question is, why is this information being disclosed now? From Blossom Goodchild's message, we can deduct that mankind is about to enter into a period of great calamity, and the extra-terrestrial's intentions are to prepare us for this event.

**Quote:** *"We are beings from other planets, who for many eons of your time have been* ***preparing for these days***
*ahead... If we do not intervene now... as has been planned for eons of your earth time... then we fear it would be too late.*

The question is, how could these extra-terrestrials know what was going to take place on a remote planet in the universe, eons before it happens? An eon is *"the longest division of geological time"* . And why did the extra-terrestrials bother to begin planning for this event such a long time ago? If we assume that these aliens are creatures more or less just like us, then it makes no sense at all. The only Person that could know this kind of information is God Himself. But as soon as we assume that these extra-terrestrials are demonic spirits, who are familiar with God's Word (Luke 4:9-11) and have been scheming man's downfall since the garden of Eden (Genesis 3), then it makes perfect sense. This is in fact a truthful statement the Federation of Light make, only their intervention is not for our benefit. And this fact is further verified by another of their statements...

**Quote:** *"For too long your world has lived under a cloud that most of you have been unaware of. If you were to KNOW the Truths of what has been* ***hidden from you****, you would be appalled and in great disbelief.*

This was the original lie that Satan told Eve in the garden, that God has purposely hidden the truth from us and that Satan now offers it to us. "And the serpent said unto the woman, Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil
", Genesis 3:4-5. And Satan has told the same lie throughout history, and does so because people keep believing it. But God has revealed the Truth to us, in the Person of Jesus Christ (John 14:6). Another statement by the Federation of Light gives the game away completely...

**Quote:** *"WE... THE FEDERATION OF LIGHT... SIGN OFF, GIVING YOU ENCOURAGEMENT AND HOPE AS WE* ***BEGIN THE ASCENSION INTO THE NEW WORLD****.*

This answers our question as to why this message is bring broadcast now. Satan knows that his time is short. Jesus Christ is coming back soon, first to the air for His Church. And then this world will enter a time of great calamity as God pours out His wrath upon the earth. Jesus Christ prophesied this fact eons ago...

Luke 21:25-26
And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven

shall be shaken.

Satan knows that this is going to happen. But he doesn't want people to believe the Bible, and repent of their sins and turn to Jesus Christ for salvation. Satan wants people to believe that he and his demonic host of extra-terrestrials are here to preserve us through this time of trouble, and that a great spiritual awakening awaits us at the end of it all. It's a cover up, but the government isn't behind it. It's a satanic conspiracy. When millions of Christians 'disappear' into thin air, Satan will have the perfect answer for it all... they were beamed up by aliens...

**Quote:** *"When the ancient prophecies of major floods and earthquakes are suddenly fulfilled,* ***many of Earth's people are rescued by spacecraft***
*and taken to huge mother ships, where they are received as honoured guests while Planet Earth undergoes a complete restructuring. As they enjoy the enriching experiences of daily life on these giant spaceships, they debate and plan their New Society. Rejecting outright any form of aggression and planetary pollution, they develop new ideals of law and liberty based on one simple, all-embracing principle reflected in a full program of land and resources-use, economy, business, and personal liberties. Just as many intrepid souls once crossed the Atlantic from the Old World to a new continent and a new life, so the time finally comes when Earth's people return to their 'new' planet, now cleansed, refreshed and replanted.*

I don't know whether an alien craft will appear in the skies above the continental US on the 14th of October, but I do know Satan is getting more bold in his efforts to deceive mankind. Do not be deceived. Jesus Christ is coming back. He came from heaven to earth to bring us salvation (1st John 5:11). God loves you so much that He sent His only begotten Son, Jesus Christ, into the world to bear the punishment for your sins upon the cross (John 3:16). And all who believe on Him for salvation can have everlasting life. Jesus Christ is coming back again to take all who have trusted in Him to be with Him where He is (John 14:3). Will you be one of them? Believe on the Lord Jesus Christ for salvation today!

1st John 3:2-3
Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is. And every man that hath this hope in him purifieth himself, even as he is pure.
